ACAN2025

Australasian course in advanced NEUROSCIENCE

Australasian Neuroscience Society

19 Jan-8 Feb 2K25
UNSW SYDNEY

Theme 1 | Fundamentals of electrophysiology

Theme 2 | Cortical processing & neural networks

Theme 3 | Systems & behaviour

HIGHLIGHTS:

- Patch-clamp & Optogenetics
- *In vitro* & *in vivo* calcium imaging
- *In vivo* fibre photometry
- Deep learning-based behavioural analysis

Theme 3 Systems & Behaviour · ACAN2K25 · Theme 1 Electrophysiology fundamentals · Theme 2 Cortical processing and networks

Coogee beach
